## HOOSIER POLITICS.

Republican State Convention at Fort Wayne.

IRA CHASE NOMINATED FOR GOVERNOR

Senator Shockey, His Only Competitor, Secures Second Place on the Ticket—Both Nominated by Acclamation—The Ticket.

FORT WAYNE, Ind., June 29.—The republican state convention met at 10:15 a. m.

Prayer was offered by Rev. D. W. Moffatt, of the First Presbyterian church of Fort Wayne.

The committee on permanent organization reported S. W. Fairbanks, of Indianapolis, for permanent chairman.

Mr. Fairbanks congratulated the convention. Allusions to Harrison, Indiana's son; to protection and reciprocity; honest money and an honest ballot were warmly applauded.

At the conclusion of Mr. Fairbanks' speech, a motion prevailed to adjourn to 1 p. m., when only delegates were admitted.

AFTERNOON SESSION.

It was 1:15 o'clock when Chairman Fairbanks called the convention to order. After all the delegates were supposed to be seated the spectators were admitted to the remaining seats and the crowd was soon almost as big as in the morning.

The credentials committee reported no contests.

The committee on resolutions reported the platform by Marcus B. Sullivan, chairman.

The platform opens by approving the Minneapolis platform and the renomination of President Harrison; the Indiana gerrymander and the management of state affairs are denounced as incompetent, wasteful and in the interest of office-holders and party managers.

The generous pension laws of the republican congress are commended, and a tribute is paid to the memory of the late Gov. Alvin P. Hovey.

There was great cheering at the reference to Harrison and the epigram that "debt and democracy" are synonymous terms, also the conscription law, but most vociferous applause greeted the pension plank, with a shout at Cleveland's pension votes and the declaration in favor of a state soldiers' home. When the name of Chase was reached in the sympathy resolution the convention broke into wild cheering, and it was some time before the reader could proceed.

After the adoption of the platform the roll of counties was called for placing of candidates for governor in nomination. Representative Hadley, of Hendricks county, in a stirring speech nominated Mr. J. Chase and met great enthusiasm. The nomination was seconded by a number of counties.

When Miami county was reached Senator Loveland placed the name of Theodore Shockey, of Randolph county, before the convention. Shockey's name also received a number of seconds. This closed the nominations.

It had been reported and was generally believed that Judge Byron R. Elliott had been agreed upon as the candidate upon whom the anti-Chase men would unite, but if a combination had been fixed, it proved abortive. The roll as outlined named three votes to Judge Elliott, though he was not placed in nomination. Allen county, second on the roll, divided its 48 votes, Elliott, 11; Shockey, 11; Chase, 26. Then the Chase boom set in, and the roll pointed down, although Shockey and Elliott received considerable support it was plain that Chase would be nominated on the first ballot, and when the roll call was half through Senator Loveland moved, on behalf of Shockey, that Chase's nomination be made unanimous, which was carried amidst the wildest enthusiasm, delegates and spectators standing on chairs and tables waving flags, handkerchiefs, umbrellas and fans.

The applause lasted several minutes and when it at last subsided, a delegate secured the floor and moved that Senator Shockey be nominated for lieutenant governor by acclamation. This brought another outbreak of enthusiasm equal to the first, Chase and Shockey's followers vying with each other to keep up the racket.

A delegate objected to a nomination by acclamation, and ex-Gov. Will Campbell took the platform and nominated Chase, F. Travis, of Crawfordville.

The vote resulted: Shockey, 847; Travis, 60; scattering, 27.

Arion county, of 84, 30 county, and W. Scott Carpenter, of Clay county, were placed in nomination for secretary of state. The ballot resulted: Jones, 789; Carpenter, 660; Rhody Shiel, 1.

For auditor, J. M. Coons, of Marion, and W. H. Liggett, of Whitley county, were placed in nomination; I. N. Walker, of Marion, refusing to allow his name to be presented.

Coons started out with a big lead, Liggett moving his unanimous nomination.

For treasurer, L. J. Scholz, of Vanderburg county, was nominated on the second ballot, receiving 84 votes, against 501 for Lee Sheldahl. Leonard again led, having received 257 votes on the first ballot.

It took two ballots to nominate Judge Jos. D. Ferrell, of Laguerre county, for attorney general, by a vote of 815 to 614 for John W. Lovette, of Hancock county; Jas T. Johnson, of Rockville, withdrawing after the first ballot in which he received 265 votes.

For reporter of the supreme court, W. A. Ripley, of Marion, was nominated by acclamation upon the withdrawal of A. N. Grant, of Howard, and George P. Haywood, of Tippecanoe.

The balance of the ticket is made up as follows:

Superintendent public instruction, Jas. H. Henry, of Morgan county; state legislator, Simon J. Thompson, Shelby county; appellate judge, first district, A. G. Gavina, Green county; second district, C. B. Baker, of Bartholomew; third district, James S. Black, of Marion; fourth district, M. S. Robinson, of Madison; fifth district, Ed. C. Crumpler, of Porter.

For judges supreme court, Judge John Miller, Byron K. Elliott and Robert W. McBride were nominated for the second, third and fifth districts respectively.

## A WHOLESALE DISCHARGE.

Every Man in the Employ of the Carnegie Steel Works Homestead, Pa., to be Discharged To-Morrow.

PITTSBURGH, Pa., June 29.—The officials of the Amalgamated association were yesterday informed that "every man in the employ of the Carnegie steel works at Homestead will be discharged on July 1." The amalgamated officials, who have taken every precaution possible to preserve the peace and have advised the men against using forcible means to gain their point, at once gave orders that the information should be guarded secretly until it is finally confirmed by the members of the firm themselves.

The story has been at an important meeting of the officials of the Carnegie interests held Monday it was decided that every union man in the employ of the firm at the Homestead works, from the highest down to the lowest laborer, will be paid off in full on July 1 and discharged at once. The present scale expires to-morrow, the 30th inst., and it is asserted that the firm has determined to run the mill nonunion thereafter.

A member of the Amalgamated association in speaking of the story said: "We get our information that the men are to be discharged direct from the throne, though of course, the Carnegie people have not sent us official information to that effect. This is the surprise they have promised their men, and it certainly is startling, coming with the color of authority it has."

The same gentleman says that notwithstanding the efforts that have been made to make everything appear peaceable there is an undertone that is liable to burst forth like a volcano without a moment's warning.

The Wisconsin Legislature.

MANITOWISH, Wis., June 29.—The legislature met in special session here yesterday to make an apportionment of the state into senate and assembly districts, the last apportionment having been declared unconstitutional by the supreme court. All the officers of the last session were re-elected in both houses.

A sensation was created in the senate by the unexpected vote of Puck, which made the eighteen appointments made by him since the legislature adjourned be confirmed. If this be done the appointments would remain in effect until the terms expire, or though the republicans carry the state next fall. The republicans will endeavor to prevent confirmation, claiming that such action would be illegal. Both parties will introduce apportionment bills at to-morrow's session.

Candidate Stevenson and the Notification Committee.

## GRAY-HAIRED GOSSIP

Bitter Public Opinion Aroused Against Prince Bismarck.

A CASE OF MAJESTÄTSDIGNIGUNG.

His Recent Remarkable Utterances in Austria and South Germany Contain All the Elements of "Insult to Majesty."

BERLIN, June 29.—Public opinion in this city has been aroused to an exceptional degree against Prince Bismarck by his remarkable utterances in Austria and south Germany. The Preussische Zeitung, Eugene Richter's newspaper, and the most influential organ of the independent party, says that the ex-chancellor has become a gray-haired

gossip who is his own worst enemy. Formerly from his own utterances the Preussische Zeitung adds, the Bismarcks should confine him in Friedrichshagen where he should be kept safe from interviewers. Other newspapers, while not going so far in their utterances against the prince, say without reserve that his remarks concerning the emperor and the emperor's policy contain all the elements of insult to majesty which could be desired.

Many who have heretofore clung to the prince and have supported his cause despite his utterances against the government, are now turning away from him. They condemn his recklessness in exposing state secrets and his policy of using her means to the detriment of their sovereign.

Eminent lawyers here say that without doubt Bismarck has rendered himself liable to prosecution by the crown, and that his conviction upon the evidence now before the court, such a prosecution, however, is thought out of the question. Bismarck has such a strong hold on the sentiment of all that even the independents and social democrats would denounce the proceedings.

Despite the complications to which the foreign office has been exposed by the ex-chancellor's revelations of its policy, the prince's position is not improved by his utterances. The Count von Capri is strongly opposed to any action which would indicate that the government felt it worth while to notice Bismarck's attacks. In this view of the prince's position, the emperor, who is exceedingly irritated by Bismarck's criticisms, still expresses deep regard for him. Count Botho zu Eulenburg and Herr Michaelson are understood to be fans of the emperor's measures to shut the ex-chancellor's mouth.

## LABOR FIGHT IN DECATUR.

Work on the High School Job  
Resumed Resulting  
in a Fight.

Intruders Put Off the Ground—Ald.  
L. N. Cope Knocked Down.

This morning the Cope Brothers, brick  
contractors, resumed their work on the  
Decatur High School building, with a  
number of International union hod car-  
riers on duty as helpers for the brick  
layers. The stone cutters who were  
about with stone trimmings were also at  
work, and everything was moving along  
nicely until a couple of Federation hod  
carriers came on the ground. Then  
trouble commenced and it ended in a  
fight. The story of the altercation is  
told by one of the stone cutters.

The two Federation men entered the  
International union hod carriers were at  
work, began calling them scabs and  
making other remarks intended to pro-  
voke an altercation. In the main the  
epithets were directed at Virgil Dovers,  
who had pulled out of the Federation  
and had joined the International union,  
which union will work on any job where  
any union men are at work, and its mem-  
bership their own troubles any should  
have without returned to the labor  
organizations. Dovers got tired of the  
nagging and to called L. N. Cope to the  
spot. Mr. Cope ordered the two in-  
truders to leave the lot. They were told  
not to interfere with any of the men  
at work, and that they should leave the  
lot. They refused to go, whereupon  
Cope took hold of one of the men and  
was showing him off on the wall. The  
men resisted and Cope struck him, caus-  
ing him to fall over some blocks of stone.  
Cope went down with him, and several  
blocks were exchanged. Cope got up and  
as he stood up the other Federation hod  
carrier struck Cope on the back of the  
head with his fist, sending the contractor  
headlong down the incline against a  
heavy stone. Both men were about to  
jump on Cope, when John DeFratina, a  
stone mason with mallet in hand, either  
scared forward and stopped what  
promised to be an ugly conflict. In the  
mean time the International hod car-  
riers hurried to the scene, and the two  
Federation men scrambled off. And as  
they fled the hod carriers let fly a num-  
ber of brick bats one of which struck the  
tail fallow in the stomach. It was thrown  
by Dovers, and the party called back as  
he was partly doubled up. "Look out  
old man," he yelled.

The Cope Bros. say: "We want to under-  
stand from now on that we are done with  
Federation men. We cannot afford to be  
bothered with them any longer; we  
have tried to keep them but they won't  
work. None of the gang will get any  
work out of us in future. The Federa-  
tion men are paying the International men \$2.00  
a day for 9 hours work and they suit us  
very well. We are in charge of this job  
and this lot is our ground for the present.  
We will allow no one to come in here  
and abuse our men or interfere with them."

The Baker Brothers were seen. They  
said they had all the carpenters they  
wanted, three more than they could find  
work for at present. They said they  
didn't want any Federation man to come  
around where they were.

During the forenoon the Federation  
carpenters who quit work on the Library  
Block, the Wayl Inn and the Kincaid  
residence assembled in Central Park, but  
did not remain there long. They went to  
a hall and had a conference meeting.  
The Federation hod carriers were there  
in goodly numbers. They were simply a  
go-you-place gathering, held to keep the  
men off the streets.

NOTES.

Mr. Cope was not seriously injured.  
His right ear was slightly scratched and  
there is a sore spot on the top of his  
head, caused by coming in contact with  
the stone.

The man at the Library Block mixing  
mortar was approached this morning by  
a plumber, who told him that he had  
run down what he was doing he would  
starve. The man on duty said the ob-  
jector could have the job if he wanted it,  
but he said he didn't want it and would  
not take it, and the man continued at  
work.

**The Local Boss.**  
Chairman H. C. Montgomery was the  
boss of the Democratic meeting last  
evening. He picked out the speakers  
and the order of the program, and he was  
the man who told the crowd what to do  
when the chairman declared the meeting  
adjourned. Loud calls were heard for  
Webster and Lawyer J. M. Gray, but  
Mr. Montgomery was deaf to the repeated  
appeals. One of Mr. Gray's friends says  
the Democratic committee is a close cor-  
poration with Montgomery, who doesn't  
love Gray holding a majority of the stock,  
and therefore the young attorney was  
shut out. Mr. Gray was in the crowd  
and ready to go forward, when Mont-  
gomery called for the musical ban-  
dion.

**Paid Promptly.**  
The late Dr. E. W. Woome had his  
life insured in the Connecticut Mutual  
Life Ins. Co., for which W. J. Conell is  
the Decatur agent. One thousand dol-  
lars of the benefit was for the mother of  
the deceased, Mrs. T. D. Woome, of  
Illinois, wife of Rev. Woome. Within  
eight days after receiving official notice  
of the death, Mr. Conell paid  
Mrs. Woome \$1000, the extra eight  
dollars being the accrued premium.

**The Nickelodeon.**  
The famous Nickelodeons gave their  
closing performance at Riverside Park  
last night, and will reopen Saturday  
night for Fourth of July week, with new  
fares, new music and an entire change of  
programme. Several Chicago people, in-  
cluding two ladies, will appear Saturday  
night and during the remainder of the  
engagement.

**To the Trade.**  
Those desiring to purchase 4th of July  
supplies and fireworks of every descrip-  
tion will do well to secure the prices of  
Mueller Gun company before purchasing  
elsewhere. This firm is prepared to fur-  
nish the same in large or small quanti-  
ties at a moment's notice.

## 500 DESKS FOR THE SCHOOLS.

Contract Closed Last Night With  
the U. S. Furniture Company.

A special meeting of the Decatur Board  
of Education was held last night to de-  
cide on the purchase of 500 improved  
school desks to be placed in the several  
new additions to the school buildings  
now being erected. Mr. A. E. Roemer,  
of Lexington, Ill., general agent  
for the United States School Fur-  
niture company, 307 and 309 Wabash  
avenue, Chicago, was present in person  
to present the advantages of the Battle  
Creek Automatic Desks in opposition to  
the claims of other gentlemen who re-  
presented a fine line of desks. The  
Board carefully considered all the claims  
and points, and by unanimous vote se-  
lected the Battle Creek desk, closing a  
contract with Mr. Roemer. The desks  
are said to be most improved and best  
made goods in the market. They will  
be delivered in Decatur and put in the  
new school rooms when the buildings are  
completed.

**Indiana Gravel Roads.**  
Wm. A. Van Leer has just returned  
from a visit to his farm in Indiana. He  
was greatly pleased with the gravel  
highways of that state and saw no good  
reason why similar roads can not be  
constructed here. The roads in the portion  
of Indiana which Van Leer visited cost  
about \$1500 a mile and are paid for by  
special assessment upon the land two  
miles on each side of the road. Land  
within a half mile is taxed at \$1 per  
acre, the next half mile 75 cents per  
acre, and the next half mile 50 cents per  
acre and the next 25 cents. Bonds are  
issued and eight years are given to pay  
for the improvement at 6 per cent. inter-  
est. The railway companies deliver  
gravel at 40 cents per cubic yard. Mr.  
Van Leer says the gravel roads are finer  
for driving purposes than the best of our  
gravel streets. The Indiana people  
made a mistake, Van Leer says, in put-  
ting the gravel strip in the middle of the  
road, for the reason that enough of land  
is not left on either side for a summer  
road. He thinks the gravel strip should  
be at one side of the road.—Bloom-  
ington Pantagraph.

**Forty-Eight Graduates.**  
To date there have been forty-eight  
patients who have graduated from the  
Dr. Farmer bi-chloride-of-gold cure treat-  
ment. All have been thoroughly cured  
of the desire for intoxicating liquors.  
Notwithstanding the large number of  
graduates this clinic will still increase.  
This clinic is in the liquor class but  
many new names have been added to the  
list of tobacco and opium users. Parties  
who have any doubts as to the number  
one see the list by calling on Dr. Farmer  
at his office in the Syndicate Block. The  
doctor stated this morning that after the  
first of August the charge for the four  
weeks treatment would be increased from  
\$25 to \$40. All who desire the treat-  
ment can secure it for \$25 providing  
they register before August first. That  
the cure is positive no one can doubt for  
among the long list of graduates not one  
has returned to the habit. The gradu-  
ates from the Dr. Farmer institution are  
making arrangements to organize a Bi-  
chloride-of-Gold club, similar to the one  
organized by the Keeley graduates.

## BORN IN DECATUR.

The Illinois Grand Lodge of  
Pythian Sisters.

An important event in the history of  
the Pythian Sister order of the world  
was witnessed this afternoon in the beau-  
tiful hall of Central Loan Lodge No. 17,  
when Mrs. Ida Weaver, of Hartford,  
Ind., the Supreme Chief of the World,  
assisted by Mrs. Helen Cornwell, of  
Quincy, Ill., the Grand Deputy, orga-  
nized the Grand Lodge of the State of  
Illinois. Decatur was chosen for the  
birthplace of the Grand Lodge because  
of the accessibility of this point, and  
because of the attractiveness of Myrtle  
Temple and Decatur generally. This  
afternoon after the organization, Myrtle  
Temple extricated the work. To-night  
there will be an open social at the hall.

Myrtle Temple, received the guests and  
extended the courtesies of the Temple  
and city.

There are eight temples in the state, all  
auxiliary to the Knights of Pythias  
lodge, and the total active membership  
of the sisterhood is about 300. There  
are about 300 honorary members.

**In Memoriam.**  
At the regular meeting of Dunham  
Post, No. 143, G. A. R., the following  
resolutions were adopted:

WHEREAS, Comrade Amos E. Waughop, after  
a long and painful illness, was at last re-  
leased, May 6, 1892, by the enemy, Death, before whom  
no man is without sin; and who has  
successfully crossed the river to  
successfully continue forever; and  
WHEREAS, Comrade Waughop, when our  
country needed defense, responded to the  
call for soldiers and went to the front, and in  
the great conflict, which resulted in the defeat  
of the enemies of the government, he was tried  
by fire and was not found wanting; and when  
his return to civil life filled the full measure  
of citizenship, therefore,  
Resolved, That in the death of Comrade  
Amos E. Waughop, Dunham Post, No. 143, G. A. R.,  
Department of Illinois, has lost an exemplary  
and useful comrade, one whose loyalty to the

any act of his has been modified or compromised,  
and one who has always desired the success of  
the Grand Army of the Republic.

To the widow who has been called upon to  
pass through the dark shadows of bereavement  
in the loss of a loving husband, Dunham Post  
heartily extends its sympathy. While this Post  
extends its sympathy to the widow of Comrade  
Waughop, it also congratulates her upon having
